THE DEVIL'S CAULDRON OF MURCHISON

3 days/ 2 nights

Your 6 hour journey begins early from Kampala toward Murchison Falls. Our first major stop is the Ziwa Rhino Sanctuary, a 7,000-hectare private reserve dedicated to bringing rhinos back to Uganda. You'll head out on foot with specialized rangers who will teach you how to read the bush and track these 2,000kg giants safely. It is a quiet, exhilarating experience. After the trek, we'll have a hearty lunch at the sanctuary before continuing north. As we enter the park through the Kichumbanyobo gate, the thick mahogany trees of the Budongo Forest will surround us before the landscape eventually opens up. We'll reach the lodge by evening for dinner and a night under the stars.

3 days/ 2 nights

On this day, you'll wake up early as we'll cross the river early to explore the Buligi game tracks. The best wildlife viewing is on the northern bank. This area, nestled between the Victoria and Albert Niles, is classic African savannah. We'll be looking for the "Big Four" alongside the world's largest population of Rothschild giraffes. In the afternoon after lunch, we'll go on a boat cruise for a three-hour journey toward the base of the falls. You'll drift past massive hippo pods and on a good day past some of the largest Nile crocodiles in Africa. The boat gets as close as safely possible to the "Devil's Cauldron," where the Nile explodes through a narrow 7-meter gorge. From here, we'll take the hike up the ridge to the Top of the Falls. Standing at the summit, you'll see the river vanish into a wall of white mist and rainbows, feeling the literal vibration of the water through your feet. It is a sensory overload in the best way possible. We'll return to the lodge in the evening to relax and share stories of the day.

DAY

Return to Kampala

THE DEVIL'S CAULDRON OF MURCHISON

3 days/ 2 nights

After a relaxed breakfast, we begin our journey back. As we leave the park, we'll drive through the rolling hills of the Nakasongola district. The drive back is a great time to scroll through your photos and reflect on the contrast between the quiet savanna and the roaring falls. We'll stop for lunch along the way and aim to have you back in Kampala by late afternoon, marking the end of your Murchison adventure.
